Beschreibung

Construction

Construction: Designed by Tony Castro. White "Kevlar Infused" GRP. Wheel steering version: Owner's accommodation layout. Deep fin keel with optimised rudder on a short skeg. New Delrin rudder bearings.

Summary

The Sunshine 38 is a well-regarded and capable cruiser/racer equally at home in both roles. The design by Tony Castro, was originally conceived as an IOR One Ton Race Yacht - Justine III, the only One Tonner racing yacht to win all 5 races in the World Championship since the 1900's. Castro's updated Justine IV was top Offshore Admiral's cupper in 1983. The Castro design was taken up by Jeanneau as their new 36' then 38' cruiser, with the Jeanneau Sunshine winning Yacht of the Year in France - 1983. Argento has been significantly refitted and upgraded in current and previous ownerships. Winner of the 2013 CCC Bluewater Race Troon to Britany; 5 x Club Championships; class wins at the Scottish Series and cruising awards.

Mechanical

Engine: 2008 Yanmar 3YM30 FW cooled; high O/P alternator: Serviced June 2025, spares kit. 3 bladed folding Kiwi-prop with spare blade. **Electrics:** 2 x 110A Service Batteries; 1 x 110A Engine Battery.
