2 x Volvo Penta D12 with only 870 hours

Engine compartment and engines 'worth seeing'

Condition 'above average' with many renovations

Detailed specifications are still being worked on:

Some notable renovations and extra equipment as follows:

Bow and stern thrusters (Sidepower), yacht controller, hydraulic trim tabs, new cockpit cover with additional sun protection aft, with frame, new fly cover, new individual covers on the fly, electric cool box on the fly (fly), new fly cover with additional sun protection aft, with frame, new fly cover, new individual covers on the fly, electric cool box on the fly (fly), new fly cover with additional sun protection aft, with frame, new fly cover, new individual covers on the fly, electric cool box on the fly (fly), new fly cover with additional sun protection aft, with frame, new fly cover, new individual trim tabs,

new cockpit cover with additional sun protection aft, with rods, new fly cover, new individual covers on the fly, electric cool box on the fly (opens from above) bimini top on fly, window blinds for front window at helm/saloon.

New curtains throughout the boat, window blinds all around, new carpet in the lower part of the boat, new mattresses, teak in the cockpit, on the platform, on the gangways, on the flybridge, stairs to the flybridge, in above-average condition (except for the gangways), electric anchor winch with chain and anchor, complete Navigation, SAT antenna (needs to be recalibrated), 2 TVs, radio CD, approx. 8 KW generator encapsulated, new large refrigerator in the galley, electric toilet, septic tank, stern shower, hot water system,

three-burner ceramic hob, microwave, hot air heating, shore power connection, automatic charger, new propeller shafts, propeller overhauled, boat will be handed over with new underwater paint.

The Princess will be going into winter storage next Monday; a good opportunity to view this exceptional boat tomorrow or this weekend in the presence of the owner and us in the water and, if necessary, also take it for a test drive.

We took a total of over 100 photos yesterday, please request them if you are interested! For a limited selection of 20 photos, please click on the following link!
