Beschreibung

This Doggersbank 1900 “Martina” is a true hybrid, both in design and technology. Originally designed by Vripack’s Dick Boon. Buillt in 1985 and completely rebuilt from bare steel by Zeelander Yachts in 2018, she combines timeless Dutch craftsmanship with modern innovation. Her diesel-electric propulsion system ensures quiet, efficient and environmentally friendly cruising. The yacht offers the comfort, quality and safety of a modern explorer while retaining the elegance and character of a classic design. Fully equipped and in a new condition.
