Attrezzatura

Descrizione

FOR SALE - VERY UPGRADED SWEDISH SOLD FAIRLINE PHANTOM 40 2005!

Winter offer price:

229.000 EUR (VAT paid)

Free winter storage of the boat indoors in heated hall until may 2026 is included!

Description:

Are you looking for a modern premium flybridge in size around 40 feet with shaft drive in the price range 200.000 - 250.000 EUR? Don't miss this very well maintained and well equipped Fairline Phantom 40 which is in a really good condition seen to the age and use of the boat.

The boat, which was sold new in Sweden and has mostly been used in fresh water, has been upgraded with a lot of new equipment. The engines, Volvo Penta TAMD 63P with shaft drive, are well serviced and in top condition.

Distinguishing features of this sought-after English premium flybridge from Fairline are its large deep swimplatform, the bright spacious saloon with its U-shaped settee that can be folded down to an extra double bed, the large well-placed galley, 2 bathrooms with separate shower cabins and a well-planned flybridge with U- sofa that can be folded down into a large sunbed, wet-bar with hot & cold water, grill and refrigerator and an extra sunbed next to the driver's seat.

In terms of equipment, there is a new Boatcontroller yachtcontrol so you can steer/operate the boat no matter where on the boat you're standing or sitting, newly restored complete camping canopy for the flybridge, Side-power bow- & stern thrusters, Eberspächer diesel heater with exhaust in saloon, sleeping cabins and in toilets, aircondition cold & heat with exhaust in the salon and in the cabins, electric windlass both fore and aft, hydraulic gangway in the stern, newer Raymarine 12" GPS plotters/multiscreens in the wheelhouse and on the flybridge, reversing(except its air conditioning which needs servicing camera, powerful generator, inverter, solar panels, electric flush toilets, etc.

The boat that is shown Indoors in heated storage hall in Trelleborg in South west of Sweden will be sold fully seasoned with a guarantee that its engines/drift and all significant systems are functional at the time of the boat's sale and delivery.

Maintenance:

New engine service & new polish/wax of the boat will be done in spring 2025 before delivery of the boat. Latest antifouling (west coast) incl. new external zincs in spring 2025. Latest polishing & waxing of the whole boat in spring 2025. Last major engine service autumn 2022 (renovation of turbos, change of all spreaders, all oils incl. oil for reverse gear, all filters, impellers & zinc on engines). Review of all seacocks, replacement of 3 seacocks to new & lubrication of 2 seacocks in spring 2024. Replacement of cutless bearings in the support trestles in spring 2024. Hull blasted & epoxy treated (3 layers of epoxy) autumn 2022.
