New bottom-paint 2022

Gangway renewed, four new batteries,

Aircondion/Heater (needs inspection)

Beskrivelse

Azimut 46 Fly - Year of manufacture: 1997

Length: 14.70 m - Width: 4.36 m - 2 cabins and 2 bathrooms

2 x Caterpillar 3208 (2 x 435 hp) with approx. 2700 operating hours

All four photos were taken at our request by the mariner responsible for maintenance over the last few days!

This Azimut has been used for charter for some time and, regardless of the constant maintenance by the mariner, requires a visual refurbishment of the interior and exterior, which is also the reason why the owner has decided to offer the Azimut 46 for sale at short notice at a price of €100,000!

He is committed to this offer until 30th November 2025.

Over the last two years, €17,000 has been invested in the technology for the engines alone (invoices are available),

four batteries have been replaced, the gangway has been renewed,

the antifouling will be renewed in 2022/2023 and all essential technology has been checked for functionality.

A complete specification is available on request.

If you are interested, you can view the yacht at any time in Palma/Mallorca after a brief consultation!
