Beschreibung

Hunda was built by the original owner in 1989-1993. After launch he sailed her for 27 years from UK to Australia then to USA via South Africa and the Caribbean. They then arrived in Spain in 2020 and sailed only locally due to Covid. From there, I purchased her in 2023 with the intention of sailing her to her current berth in Almerimar and do a full refit. Unfortunately, do to injury I cannot continue the refit and must sell. She has an Ultrasonic hull survey from 2024 that states the steel is in good condition and shows the true thickness of the hull.
