We are delighted to announce this special and unique yacht as a new addition to our fleet
 !

This yacht represents everything that the name Super Van Craft has been known for for decades: high-quality steel construction, timeless design, first-class comfort, and smooth and quiet handling.

Perfectly equipped, including bow and stern thrusters (speed-adjustable), 6 KW generator, air conditioning, Lofrans windlass with 30m chain and anchor, electrically folding top mast, Kabola heating, complete galley with two refrigerators, magnetron oven and induction hob, TV with antenna, electric toilet with waste tank, Raymarine navigation with GPS plotter, autopilot, radio, echo sounder, sumlog, compass, new complete cockpit cover with roll-up side and rear sections, and much more.

Today we took a look at this unique Super Van Craft 13.20 River.
Impressive – special – very well maintained.

A boat that won't be on the market for long.
