Beschreibung:

The most renowned Prout Escale 39 is a sleek and attractive design with a surprising amount of room inside. Many major improvements have been made to this spacious Escale. She has been meticulously serviced and lovingly maintained. This is a safe, reliable and updated catamaran that will give years of pleasure. The Escale Design combines modern construction techniques with well known Prout-living comfort, seaworthiness and better performance. A fantastic opportunity to purchase a true blue water cruising catamaran and great value for money. The roller furling cutter rig with all the sail controls leading back to the cockpit to provide easy handling. This boat has been upgraded with blue water equipment for a most comfortable life aboard and single hand sailing by her German owner couple. Living aboard in the Caribbean, they decided to up-grade to a bigger catamaran. They enjoy sailing this Prout catamaran and are prepared to hand over to the next proud owner. Until that day, they sail on keeping their cat well

serviced and fresh, ready to be viewed at any time on appointment. The owner will be cruising till April 2026 before the cat will be stored ashore again in Trinidad and/or handed over to the new proud owner.
