#### Beschreibung:

Designed by the world renowned French architect Marc Lombard, this latest and most modern Bavaria/Nautitech 44 Open design offers an exceptional spacious open accommodation-plan for a most convenient life aboard plus exceptional sailing-performance. As dedicated three cabin owners version or alternatively with four guest cabins, this latest Nautitech design-line convinces with several fresh and practical inventions, like the central saloon-cocktail-table. With this new model, Nautitech offers a superb performing cruising cat with exceptional space and light flooded saloon that fully opens to the safe cockpit. For good reasons, the two helm-stations are off the living area at the stern, to navigate safe and spray-protected in all weather-conditions with open view for any challenging manoeuvre and docking situation. A superb catamaran for any blue-water-cruise in safety and comfort aboard.
