Beschreibung:

This most renowned 44' modern Lasta Design has been produced just eight times, before the model was modified and became the AVENTURA 45. This prior AVENTURA 44 design offers best sailing performance and seaworthiness, designed as dedicated ocean-cruiser of the Tunisian-based boatyard. Convincing modern lines with distinctive chines and a characteristic bend in the stem characterize the AVENTURA 44. The 115m² sail area on the wind offer best sailing performance for this light and stiff cat with just 9.5 tons empty weight. The design in CE category A stands for safe sea keeping even in long passages. All in all, a convincing concept at a very attractive price! This fresh and well-equipped A44 has been defined and equipped for unlimited blue-water-cruising in autarky by the Austrian owner couple. For very personal reasons, the owner decided after just one summer sailing season in the Mediterranean Sea, to return to Austria and to offer this sound and well-equipped AVENTURA 44, currently berthed in Italy, for sale at a most attractive (20% below market value) FIX-price of € 648.000,-- EU-VAT paid ready to be viewed and handed over to the next proud owner in Italy.
