Beschreibung:

This modern LASTA design, AVENTURA 37, extends the shipyard range with an attractive and compact offshore catamaran. This 37 design, developed from the AVENTURA 34, impresses with more voluminous hulls over slender waterlines, which offer more living space below deck as well as ample reserve buoyancy. A coherent concept with good sea behaviour, convincing sailing performance and unrestricted single-handed suitability. This AVENTURA 37 was handed over to the German owner in June 2023 and sailed to her current berth on the Turkish coast. The owner has decided to upgrade to a larger yacht and is offering his AVENTURA 37 N° 19 for sale in a fully equipped owners version. The cat was imported and taxed in Turkey. The berth can be taken over.
