#### Beschreibung:

The Nautitech 46 Fly is designed for ultimate comfort and performance, making her perfect for cruising and living aboard in style. Her sleek hulls with aggressive chines optimize water efficiency while maximizing interior space. The high-quality finishes, ample storage, and abundant natural light create a bright, luxurious atmosphere. Built in France in 2019, this owner's version features a master cabin and two guest suites, combining luxury living with performance cruising. The boat's ease of handling is a standout feature, with a mast furling mainsail and self-tacking jib making short-handed sailing effortless. All running lines are led to the helm, ensuring simple sail adjustments and reefing. The spacious flybridge—the largest in this class—comfortably seats up to 10 people, while the open-plan saloon and cockpit are seamlessly connected by large sliding doors, enhancing the onboard living experience. This UK-registered vessel is in excellent condition, fully equipped, and ready for new adventures. The owners are selling only to upgrade to a larger catamaran. Early viewing is highly recommended for this turnkey cruiser!
