Beskrivelse

Discover a 2002 fast cruising trimaran designed by Philippe Rivière, offering performance, comfort, and safety. With sleek lines and Newick-inspired heritage, she provides both the thrill of sailing and the reliability needed for long-distance voyages. The cockpit and deck are crafted with teak for a classic, durable finish, ergonomically laid out for comfortable passages. Below deck, the saloon is spacious and bright, with seating and integrated sleeping nests, generous storage, making extended cruising effortless. The aft cabin offers a large double berth with elegant wood

trim, while deck hatches provide natural light and ventilation. Safety is a priority: she comes with a comprehensive safety package renewed in 2024, providing peace of mind for offshore passages. Equipped for autonomy, she features efficient energy systems and smart storage, allowing self-sufficient long-distance cruising. She delivers a rare combination of robust build, high-quality finishes, and practical comfort, making her a sound and elegant ready-to-sail performance-trimaran.
