Beschreibung:

A 2024 Outremer 45 owners version, first-hand and still under warranty for 1 year. Launched in May 2024, this Outremer 45 combines performance, comfort, and autonomy in perfect balance. Carefully maintained by a family with four children, she is in excellent condition and ready to sail. Thanks to her extended skirts, she offers outstanding gliding performance as well as bright, ergonomic living spaces – ideal for long passages. The spacious saloon, three comfortable cabins, and a fully equipped galley make this catamaran perfectly suited for safe and enjoyable life on board. Equipped with an electric winch, maneuvers are smooth and effortless, even with a reduced crew. This superbly outfitted Outremer 45 returned to La Grande Motte in August and is available immediately. If you are looking for a powerful, almost new catamaran that is ready to sail, this is your opportunity. Contact us now at: info@cat-sale.de
