Özellikler

Exceptional Bluewater Catamaran with Outstanding Performance. Designed by VPLP, the OUTREMER 55, first presented at BOOT 2020, closes the gap between the 51 and 5X models and offers several innovations, such as the folding steering wheels, a central kitchen island in the saloon, a well-thought-out ventilation concept and revised energy management. This October 2022 launched N° 14 exemplifies Outremer's renowned craftsmanship, combining impressive performance with exceptional comfort. After two sailing-seasons in the Mediterranean, the owners return to business and offer the opportunity to take over this exceptional catamaran. N° 14 features a spacious saloon and cockpit with cork flooring that stays cool in any temperature. Elegant carbon accents and warm finishes ideal for both ocean crossings and relaxed coastal cruising. A powerful air conditioning system ensures year-round comfort. Equipped with ample storage, electric winches, and dual helms. Her performance features include a carbon mast & boom, Jefa reinforced steering system, and a incidence sail wardrobe with two asymmetric spinnakers + gennaker. Equipped for long-distance cruising with two Volvo Penta D2-60 engines, foldable propellers, lithium battery bank, and 2,200W solar power. Ready for immediate cruising, berthed in Montenegro, available for viewings.
