Planen & Persenninge

Bimini-Top

Zubehör

Aufbereitungsanlage für Seewasser, Badeleiter, Cockpittisch, Davits, Deckdusche, Druckwasseranlage, Radio, Unterwasseranstrich

Beschreibung

This excellent Farrier, the F-41 is designed to be a safe and roomy cruiser. She has outstanding speed and handling. Race-winning capability is central to Farrier's success, without sacrificing interior space, seaworthiness or structural integrity. The F-41 is essentially a cruiser that will appeal especially to those with experience of Farrier designs who are now looking for a larger craft with more accommodation and facilities for living aboard and also ideal for long passage making. The current, German owner-couple, refitted and permanently up-graded this sound and best maintained catamaran for their 2024 ended Atlantic-circle. The cat is fully equipped for a permanent life aboard equipped for full autarky and remote office ability. Currently stored ashore at the yard in the South of Portugal, she received a full refit on batteries, solar, engine services and sails, including a new authorized CopperCoat application. Ready to cross oceans or to cruise European waters, this sound performance ocean-cruiser has been significantly price reduced and is available for handover to her next proud owner ahead of the 2026 sailing season.
