Beschreibung

For sale is a Nautitech 46 Fly built in 2018, registered under the Greek flag and located in Corfu. The catamaran is

owned by a German owner and is in exceptional condition. She has been continuously professionally maintained, with all systems, including the engines, generator, and watermaker, functioning very well. The sails are in perfect condition, and the anchor, chain and windlasses have been recently replaced. The Nautitech 46 Fly features a spacious flybridge, a bright saloon with panoramic windows, and is equipped with a new solar system, air conditioning throughout all cabins, and a powerful watermaker. Safety is ensured with modern navigation systems (autopilot, AIS, radar), as well as extensive offshore safety equipment, including a new liferaft and EPIRB. The equipment on board also includes electric winches, brand-new trampolines, and a tender with outboard motor. The catamaran is used both privately and for charter. For the 2026 season, there are already existing charter bookings, which can be taken over upon request. This well-maintained, fully equipped Nautitech 46 Fly offers the perfect combination of luxury, performance, and safety, making her an ideal choice for long-distance cruising or charter use.
