Descrizione

Gobbi 345 Open - Year of manufacture: 2001

Length: 10.89 m - Beam: 3.55 m - 2 cabins - 1 bathroom with shower
Volvo Penta KAD 43 DP (2 x 230 HP) with approx. 1,100 hours

The Gobbi has always been stored in a dry dock during the winter and, during the summer months, was only launched when in use.
Consequently, the overall condition is well-maintained!

Comfort & Space

In the bow, a comfortable French double bed awaits, sleeping two.

In the aft cabin, there is another spacious double bed – with its own, lockable door and washbasin in the room.

The interior dining area with dining table can also be converted into a cosy double bed (upholstery reupholstered in 2023).

The modern galley is equipped with a hob, sink and fridge and offers everything you need for longer cruises.

The comfortable bathroom features an electric toilet, shower and washbasin. Equipment & Technology hydraulic gangway, bow thruster, GPS chart plotter, radio, electric windlass with 60 m chain, hot water boiler, swim ladder, wet bar with fridge in the cockpit, camper cover.

Major technical update and refurbishments in 2023 as follows: Flexiteak throughout the boat (new in 2023), both engines fully overhauled, new turbochargers, new stainless steel manifolds, new injectors, complete battery system 'service network' converted to Victron Energy with lithium batteries, additional solar panels for self-sufficient power supply, new seat cushions, and much more!!

From now until 20 June, the owner and his wife are spending a four-week holiday on the Gobbi 345, with the opportunity to arrange a

viewing and test sail in the North Dalmatia region or wherever the Gobbi happens to be over the next four weeks.

If you're interested, just let us know briefly – we'll arrange the rest!
