Owner comments:She has a very spacious centre cockpit that makes sailing a real joy. All the lines running aft to control the roller reefing and in-mast main add to the overall control of the boat. The accommodation below is very deceptive. There is a proper sized aft cabin that is spacious and airy. The saloon and forward cabin are also well proportioned. The Galley is a particular feature of the vessel with generous work surfaces, voluminous fridge and ample easily accessible storage Broker commentsClean, tidy, well specified and well maintained.
