Comments:

Please note that photos are preliminary, taken prior to deep clean internally and externally. New photos will be added as soon as possible. Contact us for more information.

The Greenline 33 is an elegant and practical boat with natural flow on one level from cockpit to saloon and galley. A large sliding glass door and tilting rear window open up the space for indoor / outdoor living. Anahita has modified, profiled and extended anti-roll bilge keels which enable to boat to dry out safely. The electric hybrid motor is disconnected and would require to be professionally recommissioned if the next owner so wished. 2 x 200 litre fuel tanks, 2 x 150 litre water tanks and 45 litre holding tank. Large moveable drop leaf saloon table with settees each side. Anahita has been yard maintained to a high standard. She is having a thorough spring clean late March 2026. At the same time, she has been antifouled, anodes changed, cutless and rudder bearings replaced.

Engine: Volkswagen TDI 165 hp centaflex marine diesel in sound cocoon. Engine hours 250 @ March 2026. 7kW electric drive / generator between engine and gearbox (disconnected). Shaft drive to 5 blade propellor with bronze shoe protector. Full solar package and hybrid comfort package. When reconnected to hybrid system, diesel engine charges through the electric unit, which reverses and runs from batteries in electric drive mode. In pure diesel engine mode, alternator charges batteries. Virtually the whole roof is covered with solar panels - 1,390 watts, 48 volts with regulator and 12v – 48v charger. Optima 12v 75a/h engine battery and 4 x hybrid gel/AGM 12v 140a/h service batteries – all 2021. Victron inverter / charger 2021. 220v shore power with cable. Sleipner Side Power SE40 bowthruster.

Electronics : Raymarine C120 chart plotter, GPS, autopilot Smart pilot X-10 with ST6002 control head, ST40 Bidata log-speed and depth, VHF 49E.

Deck / Fittings: Teak laid foredeck, sidedecks, cockpit, and electrically powered, remote control fold down stern platform. Davits. Full cockpit side and rear enclosures 2024. Starboard side cockpit gate. 2 s/s boarding ladders. Specially tinted glass to all windows and doors for extra solar protection and security. Centre front window is opening.

Sun covers for front and side windows. Teak cockpit table. 4 fold up cockpit chairs. Rear cockpit bench converts to passerelle. Foredeck sun cushions and cushions for cockpit seats. 700W electric windlass with 50m chain and 16kg stainless steel anchor. Cockpit shower. Shore water connection.

Interior: Diesel fired heating with 3 outlets to fwd cabin, heads and saloon. Galley with Gorenje hob with 2 ceramic elements. Sharp combined microwave, conventional oven and grill. S/S steel sink with hot and cold pressure water. With rear window open, galley surface extends out into cockpit. Large fridge and separate freezer. 22" LCD TV in saloon. JVC stereo with speakers in saloon and cockpit. Starboard side saloon settee converts to double berth. Forward cabin with large double bed which can split and separate as 2 single beds. Toilet compartment with electric macerator marine toilet, shower and washbasin. 45 litre holding tank. Carpets and curtains throughout.
