Beschreibung

Sail away on this almost new Bali 4.2 (2023), equipped with the luxury Elegance Pack. She has been privately used by only one family and features the desirable 4-cabin layout. The yacht is in excellent condition and comes with a comprehensive electronic package, a 10 kW silent generator; all equipment shows very little use. The salon features the optional comfort seats and a full-size electric door, creating a seamless indoor-outdoor living space. Spanish Matricula is paid. Highly recommended - this Bali 4.2 is truly in a fantastic shape.
