Özellikler

Sealine 42/5 Flybridge – 2006

2x Volvo Penta TAMD 75P EDC | Excellent Condition | Extensively Upgraded

General Description

This Sealine 42/5 Flybridge from 2006 is presented in exceptionally well-maintained condition, with extensive servicing and upgrades carried out in recent years.

A standout feature of this model is the innovative Sealine Extending Cockpit System, allowing the yacht to extend to approximately 45 feet at the push of a button – a unique feature in this class.

With a spacious layout, two comfortable cabins, two bathrooms, and a fully equipped flybridge, this yacht is ideal for both relaxing family cruising and stylish entertaining.

Maintenance & History

The yacht has been continuously professionally maintained and kept at a high technical standard:

Annual engine service (oil, filters, etc.)

Spring 2026: Hull & deck polished and waxed

Spring 2026: New antifouling including new zinc anodes

2024: Shafts removed, measured, straightened + new bearings & cutless bearings

2023: New septic system including tank and hoses

2020: Hull sandblasted + 5 layers epoxy + 2 layers antifouling (Silic One system)
