Beschreibung

Inspired by the legendary "Finisterre" by Olin Stephens for S&S, ARIA DI MARE represents its natural evolution. Built in 2013 she is larger, more comfortable and more complete: a true refinement, not merely a reinterpretation. Designed by the proud owner of the original Finisterre, she is born from a deep, lived understanding of the project transformed into vision.

Every choice reflects real experience, every line preserves the original soul while enhancing its qualities. Bigger, better and more comfortable. A one-off creation where heritage and progress coexist without compromise.
