## Beskrivning

2002 Cobalt 360 Performance Cruiser, EUR 149.000,-

Cobalt 360 Performance Cruiser

Exclusive performance cruiser with extensive luxury equipment

For sale is an exceptionally equipped Cobalt 360 Performance Cruiser built in 2002 - a sporty, elegant and high-quality motor yacht that combines comfort, performance and exclusivity in an impressive way.

The Cobalt 360 is one of the particularly high-quality performance cruisers in its class and convinces with its first-class workmanship, its luxurious equipment and its confident driving characteristics. On board there is an equipment that is otherwise more familiar with much larger luxury yachts.

Already at first glance, this yacht conveys a very well-kept and exclusive impression. The bronze metallic foiling, the fully UV-protected deck and the high-quality materials in the interior and exterior underline the special character of this boat.

## Highlights

The special features include, among others:

Air conditioning

Generator

Diesel heating

VacuFlush-WC

Stainless steel window frame

High-quality sound system with subwoofer

Simrad NS12 card plotter

Simrad 4G Radar

Electric anchor winch

Hot water system

Shore power system

New cockpit tarpaulin

New professional winter tarpaulin / full cover

Extensive maintenance and technical renewals

This Cobalt 360 thus offers a level of equipment that is by no means self-evident in this boat size.

## Motorisation & driving characteristics

The yacht is powered by two extremely reliable Yanmar 6-cylinder turbo diesel engines with 315 hp each. In conjunction with the MerCruiser Bravo 3X Z drives, the Cobalt 360 offers powerful, sporty and at the same time economical driving characteristics.

The engines have been continuously serviced and are in excellent condition.

With a cruising speed of approx. 28–30 knots and a maximum speed of approx. 38 knots this yacht offers impressive performance while at the same time pleasant riding comfort.

## Technical data

Model: Cobalt 360 Performance Cruiser

Year of construction: 2002

Length: 11.00 m

Width: 3.23 m

Draft: 1.07 m

Comfort & Accommodation

Below deck, the Cobalt 360 offers a high-quality and cosy ambiance with noble cherry oak interior, exclusive upholstery and a well-thought-out room layout.

The yacht has 4 sleeping places, a separate bathroom with VacuFlush toilet, a total of 3 showers and a well-equipped pantry below deck with hob and sink.

Attention was also paid to comfort in the cockpit: A wet bar with sink and refrigerator ensures pleasant hours on board - ideal for day trips, weekend trips or longer stays.

Equipment

Navigation & Technology

Simrad NS12 card plotter

Simrad 4G Radar

FM radio

Shore power system 110–230 V

Charger

Maintenance & Renewals

The yacht has been extensively maintained, serviced and technically upgraded.

Work carried out, among other things:

Z-drives 2022 completely overhauled

Hydraulic hoses of the Z-drives renewed in 2024

New victimisation anodes 2025

New cockpit tarpaulin 2025

New winter tarpaulin 2025

Turbocharger and exhaust system renewed in 2026

Engines, impellers, seawater pumps and generator serviced in 2026

Underwater ship 2026 completely rebuilt

This extensive work makes the yacht technically particularly attractive and gives the future owner a high degree of safety.

Result

This Cobalt 360 Performance Cruiser is an exceptionally well-equipped and powerful cruiser with equipment that is rarely found in this class.

The combination of sporty performance, reliable diesel engine, high-quality interior trim, luxurious equipment and extensive maintenance work makes this boat an extremely interesting opportunity.

Ideal for owners who are looking for a sporty and at the same time comfortable motor yacht that is ideal for relaxing weekends as well as for longer tours.

Visits are possible by arrangement.
