Beschreibung

The Mystic 57, by Dubois Naval Architects, is a high-performance ocean cruiser equipped with a single mast and features a removable or adjustable inner forestay, a great setup for versatile sail configurations. The boat was completely refitted in 2022/23 carried out by a renown refit shipyard in Barcelona. The spacious aft deck leads to the centre cockpit with plenty of room for comfortable navigation. The open and very light salon finished with only the best in materials, leads to the galley and master aft and to the 2 guest cabin with bathroom in the bow. Ready to sail around the world.
