Beschreibung

The Trader 42 Signature is a motor yacht made of polyester, but built just as heavily as steel. The 42 was designed by Tony Castro. High build quality and beautifully finished. With 2 Cummins engines of 380 hp, this ship is extremely suitable for long sea voyages with her semi displacement hull. The current owner has done a few big upgrades, he added a sterntrusther, airconditioning and new cushions. The Trader 42 punctually, convince yourself and come by for a viewing.
