Owners comments:Very well specified with all possible options. Solar panels installed in 2021 and gel batteries new 2022 provide full electrical autonomy without need for shore power or generator. The yacht was upgraded and used as a fully independent live-aboard for a family. All manuals and complete service history meticulously kept by owner. Venus is waiting for her next owner due to change in family circumstances.2020 Gala 360 centre console dinghy and 2020 Mercury 20 HP OB engine for sale separately and not included in the sales inventory.Broker comments
: Spacious, comfortable and well specified family cruiser. Available immediately. Viewing highly recommended. Features

- Liferaft
- Manual bilge pump
- Furling genoa
- Deep freezer
- Hydraulic gangway
- Teak sidedecks
