Descripción

****Galeon 380 Fly "Summerwind"*****

****Model Year 2001 | 2 x Volvo Penta KAD44 EDC | Approx. 1,778 Engine Hours | Freshwater Only | Extensively Upgraded | Exceptionally Well Maintained****

****General Information****

****Builder / Model:**** Galeon 380 Fly "Summerwind"

****Model Year:**** 2001

****Location:**** Breisach am Rhein, Germany

****Engine Hours:**** Approx. 1,778 h

****Operating Waters:**** Exclusively freshwater (Rhine and connected waterways)

****Condition:**** Exceptionally well maintained – both technically and cosmetically in outstanding condition.

****Description****

This Galeon 380 Fly impresses with her outstanding overall condition, extensive equipment, and meticulous maintenance history. The yacht has been operated exclusively in freshwater and has been stored indoors in a winter storage hall for approximately five to six months every year. Both engines, sterndrives and all technical systems have been professionally serviced on a regular basis.

Particular attention should be drawn to the extensive maintenance carried out in 2025. Both turbochargers, all fuel injectors and the compressor magnetic clutches were replaced, while valve clearances on both Volvo Penta engines were professionally adjusted.

Offering an excellent combination of reliability, comfort and timeless styling, the Galeon 380 Fly is equally suited for extended cruising and relaxing weekend trips.

Technical Specifications

Engines: 2 × Volvo Penta KAD44 EDC Diesel

Power: 2 × 260 HP

Drive System: Sterndrives with Micro-Commander Electronic Controls

Engine Hours: Approx. 1,778 hours

Highlights

- * Exclusively freshwater use
- * Indoor winter storage every season
- * Engines and sterndrives professionally serviced annually
- * Both turbochargers replaced (2025)
- * All fuel injectors replaced (2025)
- * Compressor magnetic clutches replaced (2025)
