Beskrivelse

****Cozy motor yacht with houseboat character - berth on the Danube can be taken over****

This well-kept motor yacht is in ****good, age-appropriate and roadworthy condition**** and is ideal as a comfortable travel or houseboat. Particularly attractive is the **** wonderful berth in the marina Donautal (Kapfelberg)**** with direct access to the terrace and the pebble beach on the Danube Dam. The berth can be taken over for the current season.

****Technical data****

* Length above a.: 14.60 m

* Width: 4,20 m

* Height: 4.60 m

* Draft: 1.30 m

The underwater ship was ****2025 sanded and provided with new antifouling****, the overwater hull was cleaned in the same year. The ****complete engine maintenance including filter change**** took place in 2024.

****Motorization****

* 2 × Volvo Penta Diesel with 228 kW / 306 hp each

* approx. 1,000 operating hours

* 2 × 750 l diesel tanks

* Hydraulic control

* Electric bow thruster (retrofitted approx. 2014)

****Equipment****

Flybridge with speed indicator and FM connection, electric anchor winch with 18 kg anchor and emergency anchor, 230 V power generator, 4 consumer batteries (2021), battery charger (new 2025), bilge pumps, stainless steel side ladder and additional ladder, fresh water connection, outdoor shower on the bathing platform, fresh water tank 500 l, faecal tank 300 l, 25-l hot water boiler with engine waste heat utilization, Besenzoni gangway with bathing ladder and davit function, rescue raft, FM radio, GPS, autopilot, Webasto diesel heating, salon with 2023 newly upholstered seating area, Smart TV (2023), Bluetooth stereo system with four speakers, two bathrooms (including one with shower), two VacuFlush toilets, washer/dryer, bow cabin with convertible double bed and 2023 newly upholstered upholstery and mattresses, owner's cabin with two beds, wardrobe and make-up table, guest cabin with single bed, pantry with compressor refrigerator, sink,

****Notes****

Some ****non-safety-relevant electrical indicators and functions**** (e.g. Radar and individual instruments on the flybridge) are currently without function. The Webasto diesel heating must be unlocked by a specialist company.

****Other****

Extensive accessories, spare parts, tools and other on-board inventory will be handed over.
