Özellikler

After 37 build and delivered NEEL 51 trimarans, in 2022, the design has been completely re-developed and redesigned by the Marc Lombard Design Office. The fresh NEEL 52 design is now available. With its racy, modern silhouette, elaborately designed hull and sleek lines, the NEEL 52 exudes power, speed, and elegance. The living space on one level is highly ergonomic and entirely open, offering exceptional luminosity. The kitchen and the chart table face forward. The panoramic view from this huge salon is breathtaking. Both elegant and simple, the decoration lends the NEEL 52 a look of timeless distinction and gives the ample living space a calming atmosphere. Different layouts can be selected. The NEEL 52 can be configured as a sea deck- or sky deck version. You can choose between a 4, 5 and 6 cabin version. Moving inside and on the deck is smooth and safe. NEEL typical seaworthiness, performance, and comfort. She is easily handled by a small crew. The hulls of NEEL trimarans combine a central hull with streamlined floats that provide stability and prevent pitching.
