Beskrivelse

The Knysna 500SE, designed by renowned Angelo Lavranos, is a state-of-the-art blue-water catamaran built in Knysna, South Africa. This N°99 offers the latest technology and exceptional features. With three double berths in spacious cabins, she provides ample room and storage. She is equipped with a fully fitted galley, spacious bathrooms, and an open salon with direct access to the cockpit, perfect for relaxing on the water. Noteworthy is the versatile equipment, ideal for blue-water cruising: powerful solar panels, INTEGREL generators, watermaker, Garmin navigation system, high-quality sails by North Sails, etc. She also features a large refrigerator, air conditioning, and generous tank capacities, ensuring comfort and convenience on long journeys. The Knysna 500SE ensures excellent sailing performance, stability and safety. She is the perfect choice for long-distance cruising, combining speed, comfort, and thoughtful equipment for discerning blue-water sailors. This owner-dedicated 3-cabin version has been fully equipped for single-handed ocean cruises in safety with full autarky at sea. The Swiss owner couple sailed 15,000 miles in the Indian Ocean and decided to offer their dream catamaran to the next proud owners. The asking price is 30% below a new Knysna 500SE. Near-new condition, refitted, to be seen at the Knysna yard.
