Seguridad

Extintidor, Luces de navegación, Balsa salvavidas, EPIRB, Reflector de radar

Toldos y lonas

Bimini top

Accesorios

Descripción

The Polynesie 42 trimaran, designed by Philippe Rivière and launched in 2005, combines high-performance sailing with comfort and seaworthiness. Built in strip-plank epoxy/carbon composite and fully refitted in 2020, she is a fast, reliable, and ocean-ready multihull. Her hydraulic centerboard provides excellent stability while allowing access to shallow anchorages, ideal for both remote bays and offshore passages. The cutter rig offers a versatile sail plan suited to light winds and stronger offshore conditions. Designed for extended cruising, the Polynesie 42 delivers autonomy with solar panels, upgraded batteries, and efficient systems, while the three-cabin interior—including a dedicated owner suite—ensures privacy, bright living spaces, and practical amenities for life aboard. Safety is a priority, with well-thought-out systems, secure deck layouts, and easy access to essential equipment, giving peace of mind on long passages. Currently lying in Guadeloupe ashore, VAT paid. Fast, stable, and comfortable – ready to welcome her next owner and deliver unforgettable sailing experiences
