Descripción

Launched in October 2024, TINGUM is one of the newest Outremer 45s to touch the water. After her handover in Lorient, she made a smooth passage to the Mediterranean, demonstrating excellent reliability and balance under sail. Since then, she has been lightly used and meticulously maintained, remaining in near-new condition, a rare opportunity to acquire an almost new Outremer 45, fully equipped and ready to sail. Offered VAT-free and sold directly by the Outremer shipyard, she comes with full access to Outremer comprehensive range of services, from technical support and after-sales assistance to exclusive owner programs and training. It is the best way to join the Outremer family, with the assurance of continued expertise and care from the builders themselves. This catamaran represents the Outremer 45 at its finest: new, thoughtfully equipped, and ready for new adventures. Currently located in the Mediterranean, she awaits her next owners, those ready to embrace the Outremer spirit and set sail toward new horizons.
