

Catana 47 Carbon

Catana (FR), Vela, late usado, FR Süd-Frankreich Mittelmeer

€ 595.000,-

Tributação da UE, IVA incluído

Detalhes

Ano de construção: 2017

Lançamento: 0

Comprimento: 14,03 m

Largura: 7,60 m m

Calibrador: 2.5 - 1.15 m

Bordo livre: 2.00

Peso: 10900 kg

Material Casco: GRP

Tipo de motor: Volvo Penta D40

Número de motores: 2

Tipo de combustível: Diesel

CV/kW: 40 / 29

Horas de serviço: 798

Camarotes: 3

Beliches: 6

Quarto de WC / sala sanitária: 4

Trailer: without Trailer

Equipamento

Copa

Forno, Congelador, Máquina de lavar louça

Tecnologia

Âncora, Carregador de bateria, Molinete de proa, Compartimento de lavagem do convés, Conexão à terra a 230 volts, Battery

Navegação

Piloto automático, Ecosonda, GPS, Traçador de mapa, Bússola, Radar, Velocímetro electrónico, Rádio VHF, Sistema de medição do vento, AIS activ

Segurança

Extintor de fogo, Luzes de navegação, Balsa salva-vidas, EPIRB

Mapas & encerado

Bimini top

Acessórios

Escada de banho, Mesa de cockpit, Turco, Rádio, Máquina de lavar

Descrição

This Catana 47 Carbon N° 44, a renowned performance design by Christophe Barreau, combines outstanding sailing performance, exceptional structural rigidity, true single-handed capability, and impressive onboard comfort. She has successfully completed two full Atlantic Circles and returned safely to the Mediterranean in 2025 with her owner. Perfectly equipped for safe and autonomous long-distance cruising, the yacht has never been chartered and has only been privately sailed by her current and previous owners. Independence from shore power is ensured by a watermaker, solar panels, and a modern lithium battery bank.

For maximum safety and redundancy, Aquila features two fully independent autopilot systems, Starlink satellite internet, and an Iridium GO! system for reliable global communications.

All equipment, excluding personal belongings, remains on board, including the complete ARC-required safety equipment. The galley is fully equipped, and an extensive inventory of spare parts is included. The engines and sail drives were completely overhauled in December 2025. Presented in mint condition, Aquila is ready for her next blue-water adventure. Currently stored ashore near Marseilles, France, and available for viewings by appointment.
