Beschreibung

This Outremer 4X defined by the first experienced performance multihull enthusiast benefits from several race-orientated performance upgrades from the yard and latest technical refit services at GLS Le Marin, Martinique. Built in 2018 with a race-light specification, she perfectly balances performance and comfort. This sophisticated true dual-purpose design is capable of racing across oceans and cruising worldwide. Her legend began in the Route du Rhum 2018, where skippered by Jean-Pierre Balmes, she was one of the first production Outremer 4X catamarans to compete, proving her offshore seaworthiness and competitive spirit. Now a proven blue water cruiser in the Caribbean, she offers a comfortable home on the water while remaining light, responsive, and exhilarating under sail. Her carbon mast and bulkheads, updated trampoline, recent genoa and new mainsail make her ready for immediate adventures. With only two owners and a three-cabin owner's layout, she is offered at €799,000 – EU VAT PAID in Guadeloupe. This boat is not just another 4X — she is a Route du Rhum boat, proven offshore performer, and stunning platform for world cruising. Berthed FWI, ready for your viewing and to be handed over on appointment with cat sale.
