Aufbereitungsanlage für Seewasser, Badeleiter, Cockpittisch, Davits, Deckdusche, Druckwasseranlage, Unterwasseranstrich, Waschmaschine

Beschreibung

The Lagoon 380 is a sturdy, safe, and comfortable catamaran, ideal for coastal cruising and long passages. With over 1,000 yachts delivered, it is renowned for reliability, spacious beamy hulls, and excellent maneuverability with twin engines, making docking effortless. Vertical windows enhance living space and reduce midday sun, and the aft cockpit comfortably accommodates six. This OWNERS VERSION has been extensively refitted between 2022-2024,

practically renewing the catamaran from bow to stern: new sails (2024), full rig check and survey (2024), new Lazybag and Lazy Jacks (2024), replaced hardtop (2023), electronics upgrade with B&G navigation and Victron Energy electrical system, full safety equipment, new engine, additional winches, new line stoppers and turnbuckles, new dinghy, new boarding ladder with teak steps, and fully renovated interior: wall panels, cabinets, flooring, emergency hatches, blinds, mattresses, and upholstery. The entire underwater section was completely sandblasted professionally and re-laminated. After lamination was applied 5 layers of primer (Gelshield 200) and the copper coat for antifouling. This Lagoon 380 is offered fully refitted and ready for immediate handover, combining Lagoon reliability with modern upgrades for effortless cruising.
