Beschreibung

The award-winning Joubert-Nivelt NEEL 51 trimaran design combines the best features of her predecessors, NEEL 45 and NEEL 65, as a consistent further development. A unique space utilisation concept combined with outstanding sailing performance. The NEEL 51 impresses with unrestricted single-handed suitability for a safe and comfortable life on board on the oceans. The clean lines and elegant curves create a sleek and sporty silhouette, guaranteed to make a positive impression in any harbour. Her design was nominated for European Yacht of the Year 2018 in the Multihull category by the European Yacht Magazines. This N° 14, has been fully speced for the planned circumnavigation by the experienced German owner couple. Due to the Covid regulations and Pacific-island limitations, they decided, after passing the Panama Canal, to return to Europe in 2023. Several clever and reliable post-production installations were added, including lightning protection and sea-drogue reinforcements. After an Atlantic circle with her first and current owner, she is now ready for handover in the Mediterranean, fully equipped and prepared to sail the oceans under new command. A unique opportunity to start the 2025 sailing season in style. This yacht is EU-VAT paid.
