Zubehör

Badeleiter, CD-Player, Cockpittisch, Radio

Beschreibung

The Corsair C37 has the speed, responsiveness and stability of a trimaran with the comfort and liveability of a large mono-hull. A comfortable cruising boat for those who want more from their sailing than a mono can offer, the C37 is the ultimate family boat. Very compact format in port, but safety of the modern trimaran at sea, easy folding with the simple, robust and maintenance-free vertical kinematics, remarkable piloting ergonomics, amazing performance in fast cruising and even in regattas, comfortable habitability for 4! There is no need to describe further the countless qualities of this modern and rare trimaran. Visible French Mediterranean. The C37 is in fact a C36 with a small skirt and a rotating carbon mast. This Post-Lift Repairs & Structural Work Repairs after cradle failure: aft cabin starboard, port hull float and main hull bow sanded to fibreglass; gel coat restoration in non-damaged areas reworked forward

crossarm mounts; daggerboard box; forward and aft bulkheads; transom; engine bracket; rudder and rudder trunk. This sound foldable trimaran is currently stored ashore in the South of France and ready for your viewing on appointment and to be handed over with cat sale.
