Sicherheit

Feuerlöscher, Navigationslichter, Rettungsinsel, EPIRB

Zubehör

Badeleiter, Cockpittisch, Davits, Deckdusche, Druckwasseranlage, Radio, Unterwasseranstrich

Beschreibung

Best performing classic VPLP Lagoon 47 design, unlike the following Lagoon catamarans. This cat was specially built for the renowned yacht architect Javier Visiers, who got her equipped with unique modifications, including a higher mast for even more sailing performance, additional structural reinforcements and larger winches for more comfortable sail handling and single-hand capability. This cat proved her seaworthiness in the field of Jimmy Cornell "Millennium

Odyssey", whilst sailing around the world on schedule. After her return, she was used for family holidays, then passed into the hands of the second German owner, sailing her in the Balearic Islands and the Adriatic Sea, until today. This catamaran was modernised and maintained to the highest standard through comprehensive refits, latest in 2025, including the renewal of the electronics and electrics, new salon-windows, 5.000 hours rebuild of both diesel-engines, and an extensive renovation of the underwater hulls. This sound and exceptional well-equipped and maintained Lagoon 47 embodies remarkable sailing history, but also offers state-of-the-art technology and comfort. Whether for extended blue-water-passages or relaxed family holidays - this catamaran promises a perfect sailing experience. Ready to be viewed and to be handed over in Italy at a most attractive asking price, EU-VAT paid.
