Sicherheit

Navigationslichter, EPIRB, Radarreflektor

Zubehör

Aufbereitungsanlage für Seewasser, Badeleiter, CD-Player, Cockpittisch, Deckdusche, Druckwasseranlage, TV, Radio, Unterwasseranstrich

Beschreibung

The Dean 365 Catamaran is a robust 11.20-metre cruising-cat, expertly crafted since 1990 by Dean Catamarans of South Africa and designed by Peter Dean. Registered under German flag and EU VAT documented, this vessel demonstrates meticulous upkeep with no history of chartering or being loaned. Featuring a GRP hull and twin keels, its configuration supports both comfort and functionality. The yacht is powered by dual 18 hp Yanmar diesel engines, making it ideal for extended cruising ventures. Noteworthy enhancements include new standing- and running rigging,

chartplotter, electric and LED upgrade by the current german owner, who sailed this sound cruising cat on the Northsea during summer-seasons. With a host of navigation and electronic upgrades such as a Raymarine radar and chartplotter, this catamaran stands ready for cruising. Summer-season sailed and wintered ashore until 2023. Since then the cat rests on the hard, because the owner is occupied with personal challenges. The current condition of the catamaran is poor and desperately requires severe TLC and technic repairs. This cat is ready to be viewed and handed over to her next proud owner in Germany/Northsea.
