Visit & current recordings

On Tuesday, 25.08.2026, BCM Yachtsales will be personally on site. New and current pictures of the Nimbus 320 Coupé are created and we get a comprehensive impression of this very beautiful and well-kept motor yacht.

The condition of the boat is very good and well maintained. All service intervals were regularly observed and professionally carried out by the shipyard.

During the winter months, the boat was always stored protected in a hall. Since April it is back in the water and is ready for use.
