Beschreibung

This Malo 40, built in 2009, is a well-maintained and neatly presented example, owned and cared for by her current second owner. She is equipped with a generator, air conditioning and electric winches, offering excellent comfort both underway and at anchor. The furling mainsail, powerful diesel engine and bow thruster make her easy to handle and manoeuvre. Below deck, the Malo 40 offers a spacious and comfortable interior with two cabins, including a generous owner's cabin with en-suite shower. A very complete and well-kept cruising yacht, ready for comfortable sailing.
