Beschreibung

The Fountaine Pajot Mahe 36 (2007) is a cruising catamaran designed for comfortable coastal and offshore sailing. Her stable twin-hull configuration provides good sailing performance and a steady motion at sea. The sail plan offers reliable light-wind capability and easy handling in stronger conditions, making her suitable for short-handed cruising or family use. Below deck, the Mahe 36 features a bright saloon with good headroom and large windows. The galley is efficiently arranged for use underway or in harbour, and the saloon provides a practical social space. Accommodation is arranged in double cabins in both hulls, offering privacy and comfort for owners and guests. The interior focuses on natural light, ventilation, and functional living space. On deck, wide side decks and a practical cockpit layout ensure safe movement and good protection while sailing. The helm position offers clear visibility, and deck hardware is arranged for straightforward sail handling. Safety features include solid guardrails, non-slip surfaces, and a robust structural build. Overall, the Mahe 36 is a proven cruising catamaran, well suited for private cruising or charter use, combining space, comfort, and reliable sailing performance, ready to cruise!
