Beschreibung

The Bavaria 30 Cruiser is a popular, compact cruising yacht. Designed by J&J Design, it is considered the perfect entry-level boat for families or couples. It offers a surprising amount of living space and comfort within a length of just under 10 meters. The Bavaria 30 Cruiser is designed as a solid coastal and cruising yacht. It sails safely and stays dry, handling very well even in rough seas. Since all key lines are led back to the cockpit, the boat can be safely maneuvered with ease, even when sailing single-handed or with a small crew.
