Beschreibung

A first-owner, fresh-water Nimbus 365 Coupé, powered by twin Volvo Penta 225 hp engines, a combination that puts reliability and effortless cruising high on the agenda. Exceptionally well maintained, very well equipped, and hardly used. Stored indoors every winter, it has enjoyed a rather comfortable life, with considerably more care than hard work. One might say it has been treated less like a boat and more like a valued member of the family - albeit one with twin engines and a very nice wardrobe of equipment. A boat that has clearly been loved, rarely troubled, and kept in superb shape.
