To an original design by celebrated marine architect Henk Tingen and built in 1957 by the KOK Shipyard, MY Uiver is a beautifully lined ship with a rich history. In recent years, she has undergone substantial structural and mechanical improvements and refits. The entire stern interior has been refitted with an Owners Cabin and bathroom, new saloon floors, refurbished fresh water and fuel tanks, new hydraulic bow and stern thrusters, a new generator and navigation systems. Uiver also enjoys substantial galley facilities for entertaining. Available for viewing by appointment.
