Inventory & Remarks

REMARKS:I have known this seller for 30 years and sold 7 of his personal and charter boats. He has had a series of Fountaine Pajot catamarans in charter management in the West Indies and Indian Ocean. Purchasing one of his boats is straightforward. He insists on high standards of maintenance and is always pragmatic faced with a serious potential purchaser. Salako II is very keenly priced. If you are at all interested, please contact me to discuss. We can help bring the boat back to Europe, or with delivery to any other destination.
Thank you to Dream Yacht Charter for allowing us to use their photos.
